Upon our return, we will follow the Ohio Department of Health guidelines on face coverings/masks. What is your stance on your child(ren) wearing a mask?

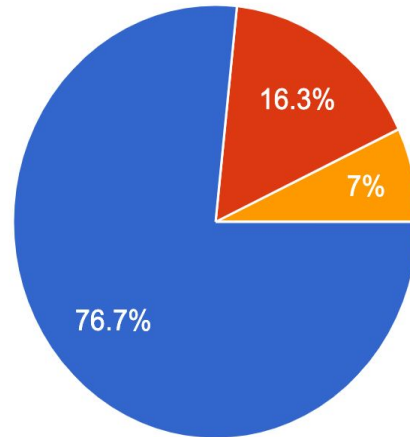

- I am in full support of my child wearing a mask to protect everyone in the building.
- I am not sure at this time
- I do not support my child(ren) wearing a mask.
- I am unsure as it would be difficult to implement this requirement.
- This is unrealistic and I do not support my child(ren) wearing a mask.

Suppose the Ohio Department of Health and the Ohio Department of Education strictly limits the number of students that can be in a classroom at any given time - which would you prefer?

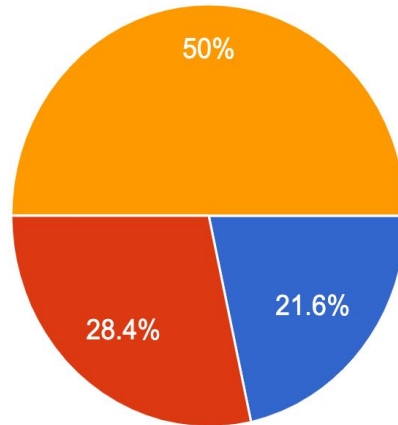

- I would prefer that the school district implement a hybrid instructional model that includes both in-person and remote learning to accommodate fewer students at any given time in a classroom but y...
- I would prefer that the school district continues using a remote learning only model until all students can be back in the building at the same time.
- I would prefer to seek other educational options for my child(ren)

What is the primary reason you would prefer that the school district continue its remote learning only model until all students can be back in the building at the same time?

- The logistics of managing my child(ren)'s schedule of being home sometime and at school sometime will be too difficult.
- My child(ren) would benefit more from a consistent instructional model.
- I do not want my child(ren) in the school building if it has not been deemed safe for all students to be there at the same time.

Regardless of how school buildings open for the 2020-2021 school year, I will expect the following:

All students will wear masks/facial coverings

246

All staff will wear masks/facial coverings

406

All visitors will wear mask/facial coverings

319

None of the above
