## Central Property - Ongoing Analysis of Property Future

- ***Security***
  - Fencing approximately \$52,000 (4 ft vinyl)
  - Bollards/trees approximately \$100,000
  - Camera/video surveillance not yet determined
- ***Repair (existing damage)***
  - Approximately \$10,000
- ***Maintenance***
  - \$145 per mow
  - Awaiting quote for seed, weed control, and fertilizing applications
- ***Restroom Facility (portable)***
  - \$115/month + delivery, tax, fuel surcharge, and winter salt (1 unit)

# Buildings and Grounds

## PK-12 Campus - Property Line with Thurnridge

- Thurnridge Resident Meeting 3/20
  - Property line concerns
    - Privacy/headlights impacting properties adjacent to RHS parking lot
    - Trees/vegetation along existing fenceline
      - Fence sits approximately 3 ft onto RCCSD property
      - Removing fence/trees/vegetation to construct fence would impact the natural barrier between properties
- PDD requires 6 foot fence installation

***Solution: Install fence along a path that creates visual/headlight barrier near parking lot and between existing fence/light poles***

***\*\*Minor change to PDD; permit in progress with city; contingency funding will pay for installation***

## **PK-12 Campus - Chiller Noise on Thurnridge**

- Sound study show chillers are operating within specifications
- Sound increases as a result of hard surfaces surrounding installed location
- Existing options/strategies have had no major impact on reducing chiller noise
- Manufacturer (Daikin) developed a sound blanket solution
  - Last, best option to decrease chiller noise for residents

**Solution: Installation of product through Daikin; contract approved and work scheduled to begin week of April 19**

**\*\*Contingency funds used to complete project**

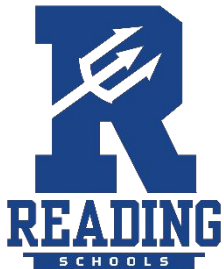

# Buildings and Grounds

## **PK-12 Campus - Outdoor Classroom Sidewalk**
