COVID-19 +

3 FT MINIMUM

THE STUDENT WHO IS UNMASKED **AND** IS VACCINATED, AND IS A CLOSE CONTACT OF A STUDENT WHO IS POSITIVE FOR COVID-19, WOULD **NOT** NEED TO QUARANTINE.

A POSITIVE CASE OF COVID-19 WILL NEED TO ISOLATE REGARDLESS OF THEIR MASK USAGE OR VACCINATION STATUS.

COVID-19 Protocols

Preparations:

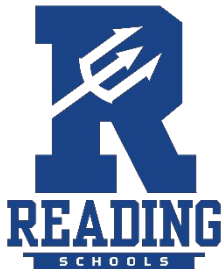

- Masking option, but ***strongly encouraged***
- Spacing and distancing to the extent possible
 - Return to 100% capacity creates classroom, cafeteria, and other space constraints
- Classroom and cafeteria seating charts
- Hand sanitizer and disinfectant wipes
- Contingency plans for quarantines/isolation
 - Grades 6-12: Synchronous approach for joining classroom instruction remotely
 - Grades K-5: Dedicated building sub for instructional support and/or classroom substitute coverage across the building/district
 - **Goal is to maintain continuity of instruction for students while quarantined or isolated due to COVID-19 exposure

COVID-19 Protocols

Facility Cleaning:

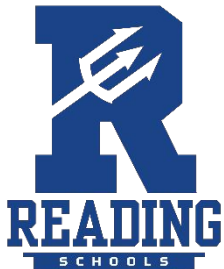

- Omnia360 and Alpha&Omega have partnered for custodial services in RCCSD
- Base contract personnel includes 2 day shift and 5 second shift custodians
 - 2020-2021 increased three custodians for COVID cleaning
- Alpha&Omega utilize a product called GermStop to assist with cleaning and protection
 - Anti-microbial spray for high touch surfaces (desks, chairs, cafeteria tables, handrails, doorknobs)
 - One application lasts for 30 days
- With GermStop and 1 additional custodian, RCCSD would be in alignment with most of the other districts serviced by Alpha&Omega
- ESSER funding would support these increased staff/services
